

Jefferson Shelby Swim Council Swim Up Request

Policy: The Jefferson Shelby Swim Council rules require that swimmers swim in the age group determined by their age as of June 1st of the year of the current summer swimming season.

Parents must request in writing if they wish to have their child placed in the age group directly above their legal age group. This request must be submitted to the JSSC VP of Registrations no later than the registration deadline and will be reviewed and approved by the JSSC Board. Your coach will receive approval notification before the first swim meet of the season.

Swimmers granted a swim up request will be required to swim all meets during the current season at that age level and must qualify at that age level in order to swim in the JSSC County Championship meet. A swimmer who chooses to swim up one year may never go back to their legal age group either during the current season or any other season.
